

CFA FOOD BANK SAFETY GUIDELINES 2017

CFA has encountered disturbances that put our staff, volunteers, and food bank attendees and surrounding property at risk. We want to promote the welfare of all animals while also providing a safe enjoyable environment for pet owners. **If you do not follow the CFA guidelines you will be permanently ineligible for assistance. This includes spay/neuter and medical assistance.**

Guidelines that must be followed:

1. Be respectful to **ALL** staff, volunteers and other attendees
2. No harmful physical contact with staff, volunteers, and peers
3. This is a **NO TOLERANCE ZONE**: no alcohol, drugs, profanity, aggressive, or inappropriate language
4. No speeding, “peeling out” or spraying gravel
5. Please keep your kids at your side at all times.
6. Anything you receive from CFA cannot be resold including via website, Craigslist, Facebook pages, and apps (example: OfferUp and Letgo).
7. Please be patient and wait your turn while our volunteers gather items and assist clients to their designated vehicle.

I, _____ have read and I understand the guidelines listed above. I am aware that if I do not follow the guidelines I will be ineligible for future assistance.
